

You are cordially invited to join University of San Diego alumni, parents, students and friends at the annual USD European Reunion.

The 2017 USD European Reunion will take place in Milan and Lake Como, Italy. As Italy's fashion, finance, publishing, and design capital, Milan serves as a perfect backdrop for a very special weekend. We will begin on Friday, June 23, with the opportunity to network with corporate leaders and fellow Toreros during our Titans of Industry Tour. The day will kick-off with an exclusive, behind-the-scenes guided tour of Geico S.p.A, the Italian leader of original coating plants for the automotive industry worldwide. The tour will be led by President and CEO, Dr. Ali Reza Arabnia '87 MBA. Inspiring talks on contemporary topics will follow, provided by USD President James. T. Harris III, DEd, and USD School of Law Dean and Professor Stephen C. Ferruolo, JD, PhD. Our day concludes with a roof-top cocktail reception and breathtaking views of the iconic Duomo di Milano.

On Saturday, June 24, we will hear from Dr. Kevin Petti '06, professor and founder of *Anatomia Italiana*, illustrating the unique connection between art and anatomy in Italy. This fascinating presentation will provide wonderful insight and perspective to enhance our viewing of Leonardo da Vinci's 15th-century masterpiece *The Last Supper*. From there, we will travel from the city to the beautiful countryside of Lake Como. A jewel of Northern Italy, the Italian Lakes of Lombardy have been a popular holiday destination since Roman times. This year our reunion coincides with the oldest festival on Lake Como — the Sagra di San Giovanni. A private chartered lake cruise with dinner will allow for a one-of-a-kind view of the evening's spectacular fireworks.

On Sunday, June 25, we will begin with Mass at the Cattedrale di Santa Maria Assunta, followed by a memorable, delicious brunch overlooking the lake at Café Cecatto. With a sense of tranquility that pervades this beautiful region, Lake Como retains a special mystery and magic. We invite you to explore this remarkable region by extending your weekend until Monday, June 26.

Regards,

MATTEO E. ARCARI '00 MBA
Reunion Host,
